Vacation Care

We are now taking booking for Vacation Care, with places filling up fast (some days are already full!!!!). Please see staff if you require a place during the holidays. Please note that if you book in for vacation care, you will need to give notification if you cancel the booking, otherwise fees for the day will be charged.

We're really looking forward to the next holidays and would love to hear your feedback and any ideas to include in our program. See you there!

OSHC program

Enrolments for the Outside School Hours Care program has been building steadily since the beginning of the year. We now have no spaces left on Monday and Wednesday afternoons. To ensure your child has a spot, please book as early as you can by ringing the preschool office. Please note that if you book in for Outside School Hours Care, you will need to give notification if you cancel the booking, otherwise fees for the hours will be charged. Again, thank you to our families for the fantastic support.

Early Arrivals

Please remember our Preschool hours are 9am-3pm. If your child is enrolled in the Preschool Program and 9am-3pm Long Day Care Program, Before and After School Care fees will be charged if you are attending outside these hours.

Lockdown

In accordance with the Education and Care Services National Regulations, Bermagui Preschool will be undertaking lockdown drills at preschool in the coming week. Please see staff if you require further information.

Note from Anny: Caring for your family with Homeopathy

Would you like to learn how to care for your family using homeopathy? Homeopathy is a safe and natural way to support your family's health care. We will be running a homeopathy for first aid and acute minor illnesses workshop. These are fun and packed full of information to make using homeopathy at home practical and achievable.

The event will be held in Bermagui on the 22nd of April 9am - 1pm. Please visit the facebook event page for all details or phone Anny Homann on 0431 312 877. Bookings are essential <https://www.facebook.com/events/1918868524830896/>

The StEPS program is an initiative of NSW Health and offers all 4-year old children free vision screening.
