Golf Day Fundraiser

A big thankyou to everyone who supported our golf day fundraiser. We were able to raise \$5100 at this event. This money will be used to purchase sensory resources to support inclusion of children with additional needs. A special thankyou to Chaylee Tyrrell, Bermagui Country Club, Tim from Swan Plumbing, Fran from Bermagui Cellars, the Bermagui Men's Shed and all the local and visiting golfers who helped make this fundraiser such a success.

Lost Turtle

Please keep an eye out for a soft Beanie Toy Turtle... one of our children has misplaced the turtle and it is being sadly missed.

Miriam's Resignation

We have just received news that Miriam, who is currently on extended maternity leave, will not be returning to work at Preschool. A big thankyou to Miriam for her wonderful work while she was at Preschool and best wishes for her future endeavours.

Winter Jackets Needed.

We are looking for size 5-12 winter jackets for our Out of Hours School Care Program. If you have any old jackets that you no longer use we would appreciate your donation.

Crazy Hair Day

Friday 30th June is Crazy Hair Day. This is a day to raise awareness of Cystic Fibrosis. For a gold coin donation we are encouraging children and families to wear crazy hair at preschool. For more information please visit www.crazyhair.com.au

Thank you

Thank you to the following people who helped our Preschool:

- Seodhna for donating resources to our Preschool
- Isabel Haida for donating icepacks.
- Annie for donating baby resources.

Family Advocacy

Family Advocacy is running a workshop for families of children with a developmental disability in or approaching the school year. These workshops will be run in June in Bega, Batemans Bay, Nowra and Wollongong. For further information please phone 1800 620 588 or visit www.family-advocacy.com

Emailed Newsletters

In an effort to be more sustainable we are looking at minimising paper copies of our Preschool newsletter. Please complete and return the form below. Thankyou for supporting our Preschool Environmental Policies and helping to reduce paper waste.
