What's on at Preschool

Our "Active Kids Sports Program" has been a huge success with children enjoying netball, volleyball and indoor soccer at the Bermagui Sports Stadium; Golf, tennis and bocce at the Bermagui Country Club and Cricket, Rugby, Football (including Kinderkick) and T-ball at the Bermagui Oval. Next week we are off to the Primary School for our very own mini Olympics. Our Nature School Program will start later in the term. If you have any ideas that you would like to see included in our program, we would love to hear from you.

Woolworths Earn and Learn

Thanks to families and community members donating their Earn and Learn stickers to our service in previous years, we have added some beautiful resources to our Preschool. Earn and Learn is now back and our collection box is at Bermagui Woolworths, so please think of us when you are deciding where to put your stickers - your donations make a really big impact to our Preschool and the toys and resources we get are really enjoyed by all our children.

CRABS Duck Race

Bermagui Preschool has a giant inflatable duck to race at the CRAB's (Cancer Research Advocate Bikers) Duck Race. We need a volunteer to help steer our duck to the finish line down the Bermagui River, on Sunday 10th September 11am - 2pm. Please let us know if you are keen to ride in the duck!

Library Book Week

It's that time again....Book Week at Bermagui Library! You are invited to our celebration of Children's Book Week 2017 at Bermagui Library, Tuesday 22nd August from 10:30-11:30am. Come dressed as your favourite book, movie or game character if you wish. The theme for this year's Children's Book Week is..... ~ Escape to Everywhere ~

StEPS Vision Screening

The StEPS program is an initiative of NSW Health and offers all 4-year old children free vision screening. They visited the Preschool on Wednesday 9th August, to screen children who have returned the consent forms distributed earlier in the year. If your child missed the screening please contact Narooma Community Health to organize a screening Ph: 4475 7200.
