

BERMAGUI PRESCHOOL

1.10 Priority of Access

Written By

Narelle Myers

Aim

This policy has been developed to ensure that Bermagui Preschool complies with the Priority of Access Guidelines set by Family Assistance Law and defined by NSW State Government Funding Agreements. Failure to meet these Guidelines is a breach of the conditions of continued approval for receiving Child Care Subsidy and State Government funding.

Bermagui Preschool will follow the Priority of Access Guidelines at all times when enrolling children. The waiting list application will reflect these guidelines to ensure that care is provided to families using these priorities.

Strategies

Bermagui Preschool will use the Priority of Access Guidelines to prioritise the waiting list and to allocate available education and care places to families.

- Priority 1: children at risk of harm
- Priority 2: children in their year before school (with the highest priority given to children closest to school entry) to enable up to 600hrs
- Priority 3: any other child.

Within these three priority categories, precedence should also be given to;

1. First Nations families
2. Families which include a person with a disability
3. Families on lower incomes (Health care card holder)
4. Families from culturally and linguistically diverse backgrounds

Placements will be offered for the Bidhu and Bungaree rooms in accordance to the child's position on the waiting list.

Children who are ineligible for enrolment;

- Children who are not immunised and not on a recognised catch-up schedule

Enrolment termination;

- In accordance with Bermagui Preschool's Fees Policy, non-payment of fees may result in the loss of a child's placement at Bermagui Preschool

Evaluation

All enrolments will strictly adhere to the Priority of Access Guidelines to ensure equity and consistency for the community.
